⁽¹⁾ Applicable to OASDI contributions. No limit on income subject to Medicare portion.

⁽²⁾ Effective for tax years ending after December 31, 2012, an additional 0.09% tax rate will apply to earnings in excess of \$200,000 for the employee's but not employer's share of Medicare taxes.

⁽³⁾ This is the compensation used for the "look-back-year". For example, in determining HCE status for 2022, individuals who earned \$130,000 in 2021 are generally classified as HCEs.

⁽⁴⁾ Based on end of the year limit for fiscal year plans.

⁽⁵⁾ Based on beginning of year limit for fiscal year plans (and for the plan year containing the determination date for Key Employee [Officer] definition).
